

# Temporary Image Trend/PCR Changes Due to COVID-19 Response

BEDFORD COUNTY

## Waiver of Transport

All Bedford County EMS & Rescue Agencies

- I. If a patient does not meet the criteria for transport, the Patient Disposition on the **Incident Info** panel should be *Treated and Released (per protocol)*.

The screenshot shows the 'Incident Info' panel with the following fields: Incident Number (8 digits) set to 9990313; Incident/Patient Disposition set to 'Treated and Released (per protocol)'; Total # Patients at Scene (N/A if Canceled) set to 'Single'; and Zone - First Due EMS Agency for this Location? set to 'Big Island Emergency Crew'. A red arrow points to the dropdown menu for Patient Disposition.

- II. The patient or their representative should sign the *Waiver of Transport* signature type.

The screenshot shows the 'Signatures' panel with several options: AIC, Patient, Patient Rep (Patient Unable to Sign), Witness, Other Crew, and Waiver of Transport. A red arrow points to the 'Waiver of Transport' option.

If a patient representative is signing, choose the appropriate "type of patient representative".

The screenshot shows the 'Waiver of Transport' form. The 'Person Signing' section has 'Patient' selected. The 'Type of Patient Representative' dropdown is set to 'Self'. The 'Statement' field contains 'Transport Waiver/Acknowledged Receipt of Notice'. There are fields for Date, First Name, Last Name, and Status. A red arrow points to the 'Type of Patient Representative' dropdown.

- III. The *Coronavirus Worksheet* must be completed. Please make sure the AIC's name appears at the top of the worksheet.

The screenshot shows the 'Incident Info' panel with the same settings as in the previous screenshot. In the right-hand sidebar, the 'Coronavirus' icon is highlighted with a red arrow.
